

## WMS ANNOUNCEMENT

### *Workplace Health and Safety Compliance Walkthrough*

Northern Safety Solutions is here for you as your out-sourced Health and Safety Specialist.

NSS is offering our Workplace Management Systems clients the following services free of charge as a thank you for being a loyal client of our Workplace Management System:

- *For workplaces in the Sudbury district*

We are offering an onsite Health and Safety Compliance Walkthrough of your workplace. This walkthrough can be conducted with a member of your Joint Health and Safety Committee or Worker Representative, and we will provide a report of our findings.

- *For workplaces outside of the Sudbury district*

We are offering a virtual meeting with your JHSC or Worker Representative to review any challenges and assist the organization to get to the next level of compliance. This may also include a virtual tour of the workplace, if applicable.

### *New Online Training Modules*

Our commitment to our clients continues with the growth of our library of over 30 online training modules for the Workplace Management System.

Workplace Management Systems is pleased to announce that we have two Coronavirus Modules available:

- COVID-19 Training module
- COVID-19 Vaccination Information module

If you are a WMS client who currently has the Workplace Management System and are interested in these new modules, we will add them to your site free of charge.

If you are not on the Workplace Management System, and you would like to know more about the system or our online training modules, contact our office for further information.
