2024

January 2024

A New Year

There is no better way to start off the year than to thank our clients that have entrusted Northern Safety Solutions in providing them with honest consultation and quality training throughout the years. We are moving into our 16th year, and it would not be possible without the support of all of our valued clients and amazing staff. ***We thank you for that!***

Northern Safety Solutions has been recognized by our clients as their trusted health and safety provider. We are honored for that distinction and are making this our continued goal for 2024.

Northern Safety Solutions specializes in providing realistic and cost-effective solutions to the most unique health and safety challenges in our evolving workplaces.

Northern Safety Solutions is your trusted health and safety provider, we are here to work with you every step of the way. Northern Safety Solutions looks forward to continuing our journey in providing honest consultation and quality training to our valued clients and participants.

A Healthy and Safe Workplace in 2024

Health and safety is more important than ever with our diverse workforce, hybrid work models, evolving business model and life models. Workplaces need to create a road map and institute systems to create and maintain a healthy safety culture effectively and efficiently.

Northern Safety Solutions can assist in providing these tools for success!

Working at Heights Training (Public Sessions)

Northern Safety Solutions is adding a second day per week for our WAH public sessions beginning January 2024. In addition to our Wednesday sessions, we are adding Friday sessions to our weekly calendar. If you haven't had the opportunity to experience our Working at Heights training, please do so. You will not be disappointed!

We also offer onsite and group Working at Heights training sessions, call our office for a quote.
