A New Year

Northern Safety Solutions want to thank our clients that have entrusted Northern Safety Solutions in providing them with honest consultation and quality training throughout the years. We are moving into our 17th year, and it would not be possible without the support of all of our valued clients and amazing staff. **We thank you for that!**

Health and safety is more important than ever with our diverse workforce, hybrid work models, evolving business model and life models. Workplaces need to create a road map and institute systems to create and maintain a healthy safety culture effectively and efficiently.

Northern Safety Solutions can assist in providing these tools for success!

Northern Safety Solutions is your trusted health and safety provider, we are here to work with you every step of the way. Northern Safety Solutions looks forward to continuing to provide honest consultation and quality training to our valued clients and participants.

New Online Training for 2025

NSS is always looking for opportunities to provide new cost-effective training for our clients. Northern Safety Solutions is launching the following three new online training modules.

****Online Forklift Awareness Training****

****Online Mobile Elevated Work Platform Awareness Training****

****Online Overhead Crane Awareness Training****

These modules will be available January 1, 2025. NSS has developed a system that workplaces are able to certify individual workers with the theory and practical component on Forklifts, MEWP's and Overhead Cranes.
