Training for 2025

New Online Training for 2025

Northern Safety Solutions has just launched new online training...

- Online Forklift Safety Awareness Training
- Online Mobile Elevated Work Platform Safety Awareness Training
- Online Overhead Crane Safety Awareness Training

Online Training Modules

NSS provides over 35 online training modules through our Workplace Management System. NSS provides group rates for companies. Northern Safety Solutions offers a web-based Health and Safety Management System for employers to manage their Occupational Health and Safety Program. Interested in a demo of our Workplace Management System, we are scheduling appointments, give us a call.

Virtual JHSC Certification Training

Northern Safety Solutions provides virtual JHSC Certification and JHSC Refresher training every month! We also offer JHSC Certification training in a classroom setting for groups!

Call our office for engaging training!

Working at Heights Training

Northern Safety Solutions offers Working at Heights Public Training Sessions every Wednesday and Friday. We also offer private onsite WAH Training sessions.

Call to book your training today!
