January 2026

## Training 2026

### Working at Heights Training

Start the year prepared. Northern Safety Solutions continues to offer Working at Heights Public Training Sessions every Wednesday and Friday. Private on-site Working at Heights training is also available. Reserve your spot now to ensure your training is up to date for the year ahead!

### Joint Health and Safety Committee Training

Now is the time to renew or complete your Joint Health and Safety Committee (JHSC). Virtual training is available for Part One, Part Two, and Refresher Certification. Contact our office to register and start the year compliant.

### Workplace Management Systems

Start the new year with a stronger safety program. Our Workplace Management System helps employers organize and manage their Occupational Health and Safety responsibilities with ease. From online training and document management to email notifications and expert support, our system is designed to save time, reduce stress, and improve compliance. Book a demo today and set your workplace up for success in the year ahead.

**Northern Safety Solutions offers Workplace Safety Compliance Audits and Walk Throughs, complete with a report of recommendations for compliance.**

**Please contact our office for more information.**
